“Finally, a clean & trusted source!”

- ✓ Freshens breath with several tincture flavors
- ✓ 5 to 6 hours effective
- ✓ The highest absorption available
- ✓ Mixable for all-day consumption
- ✓ Manufactured in the USA
- ✓ All organic, sugar-free, non-GMO, vegan & keto friendly
- ✓ Completely devoid of heavy metals, solvents, microbes or contaminants

Our CBD Oil consists of 0.3% or less THC (the legal limit for this product). Because of this very low content of THC, CBD products are not psychotropic at all.

Cannabidiol, and all the other cannabinoids, were patented by the United States Government in 2003 as neuroprotectants and antioxidants (Patent No. 6,630,507). CBD is not yet an FDA approved drug.

CBD is now available at these Cyclefit Sports locations
